

LIVERPOOL HF RAMBLERS

Liverpool HF Ramblers was formed in 1915 and is associated with HF Holidays Ltd.

Its objects shall be: -

- a. To provide for the healthy enjoyment of leisure by walking / rambling,
- b. To encourage the love of the open air,
- c. To appreciate and conserve the environment.

Varied programmes of walks are arranged all the year round to suit the requirements of all members. Suggestions for new walks and/or offers to lead walks will be appreciated by the Saturday and Sunday Secretaries.

Saturday Walks are one category and are moderate. Most rambles are by public transport or cars to fairly local areas. Once or twice a month through the summer a coach is arranged to go to places further away.

Sunday Walks are arranged to suit a wide range of capabilities with a choice of three or four walks:

A. Strenuous; B. Less strenuous; C. Moderate; D. (once a month most months) Easy

Most Sundays a coach is organised to take members to the area in which the walks take place.
